ABOUT US

In the heart of Jeddah, Fasaha Lawyers & Consultants was established to be a house of legal expertise, offering comprehensive and innovative solutions in the fields of law and legal consultancy.

We believe that our relationship with clients is built on partnership and trust. We strive to deeply understand their needs to provide precise and effective legal services.

Our team combines professional experience with modern technologies to ensure the highest standards of quality & transparency in managing cases and legal files.

At Fasaha Lawyers & Consultants, we are committed to being the legal shield that protects our clients' interests and strengthens their success and sustainability.

OUR VISION

At Fasaha Lawyers & Consultants, we aspire to be the first choice for clients seeking excellence in legal services within the Kingdom of Saudi Arabia.

Our vision goes beyond providing consultations to building strategic partnerships with our clients, based on trust and innovation, delivering sustainable legal solutions that anticipate the future and keep pace with legislative and economic developments.

We strive to establish new standards of efficiency and transparency, ensuring our clients' success and the sustainability of their businesses in a constantly evolving legal environment.

We believe that true legal leadership is achieved through knowledge, experience, and continuous development, enabling us to remain at the forefront of law firms that make a real difference in the legal field.

OUR MISSION

Our mission at Fasaha Lawyers & Consultants revolves around providing comprehensive and reliable legal services designed to protect our clients' interests and empower them to make confident decisions in a dynamic legal environment.

We strive to achieve justice with the highest standards of efficiency and transparency through a specialized team that combines practical experience with deep legal knowledge.

Our goal is to build long-term relationships based on trust and respect, offering inclusive legal solutions that go beyond theory into practical application — ensuring our clients' success and growth.

We believe that our mission extends our vision: to be the first and most trusted legal destination for clients across the Kingdom.

OUR VALUES

At Fasaha Lawyers & Consultants, we focus on a set of core values that shape our identity and guide our interactions with clients and colleagues. These values are :

Integrity and Transparency: We commit to honesty and trust in every interaction, ensuring clarity as the foundation of our relationships with clients and partners.

Professionalism and Precision: We deliver our services with the highest levels of professionalism and attention to detail, creating the legal distinction that truly makes a difference.

Efficiency and Agility: We strive to handle cases effectively and with high quality, utilizing the latest tools and methodologies to achieve optimal results.

Continuous Development: We stay ahead of legal and regulatory changes, constantly refining our expertise to deliver innovative and effective solutions.

Empowerment: We believe in equipping our clients with the knowledge and insight needed to make confident and sustainable legal decisions.

Active Partnership: We work alongside our clients as true partners, building strong and collaborative relationships to achieve mutual success.

OUR SERVICES

At Fasaha Lawyers & Consultants, we provide comprehensive & innovative legal services tailored to meet the needs of individuals and companies with high professionalism. Relying on an in-depth understanding of Saudi & international regulations, we strive to deliver the highest levels of legal protection and strategic support to our clients.

1. Specialized Legal Consultations

We offer precise legal consultations across various branches of law, including: commercial law, real estate law, labor law, criminal law, and personal status matters. We also represent clients before judicial bodies and specialized committees. Our approach focuses on providing well-studied, practical solutions that safeguard our clients' interests and support their legal success.

2. Contract Drafting and Agreements

We provide professional drafting and review of local and international contracts and agreements, including sales, lease, supply, and partnership contracts. Our focus is on proper legal structuring to protect clients' rights and prevent future disputes.

3. Litigation and Advocacy

We provide legal representation before judicial and administrative authorities at all levels, defending our clients' interests and striving to achieve the best possible outcomes.

Our services include representation before courts, judicial and financial committees, and government and regulatory bodies, as well as the preparation of legal memoranda and pleadings with the highest professionalism.

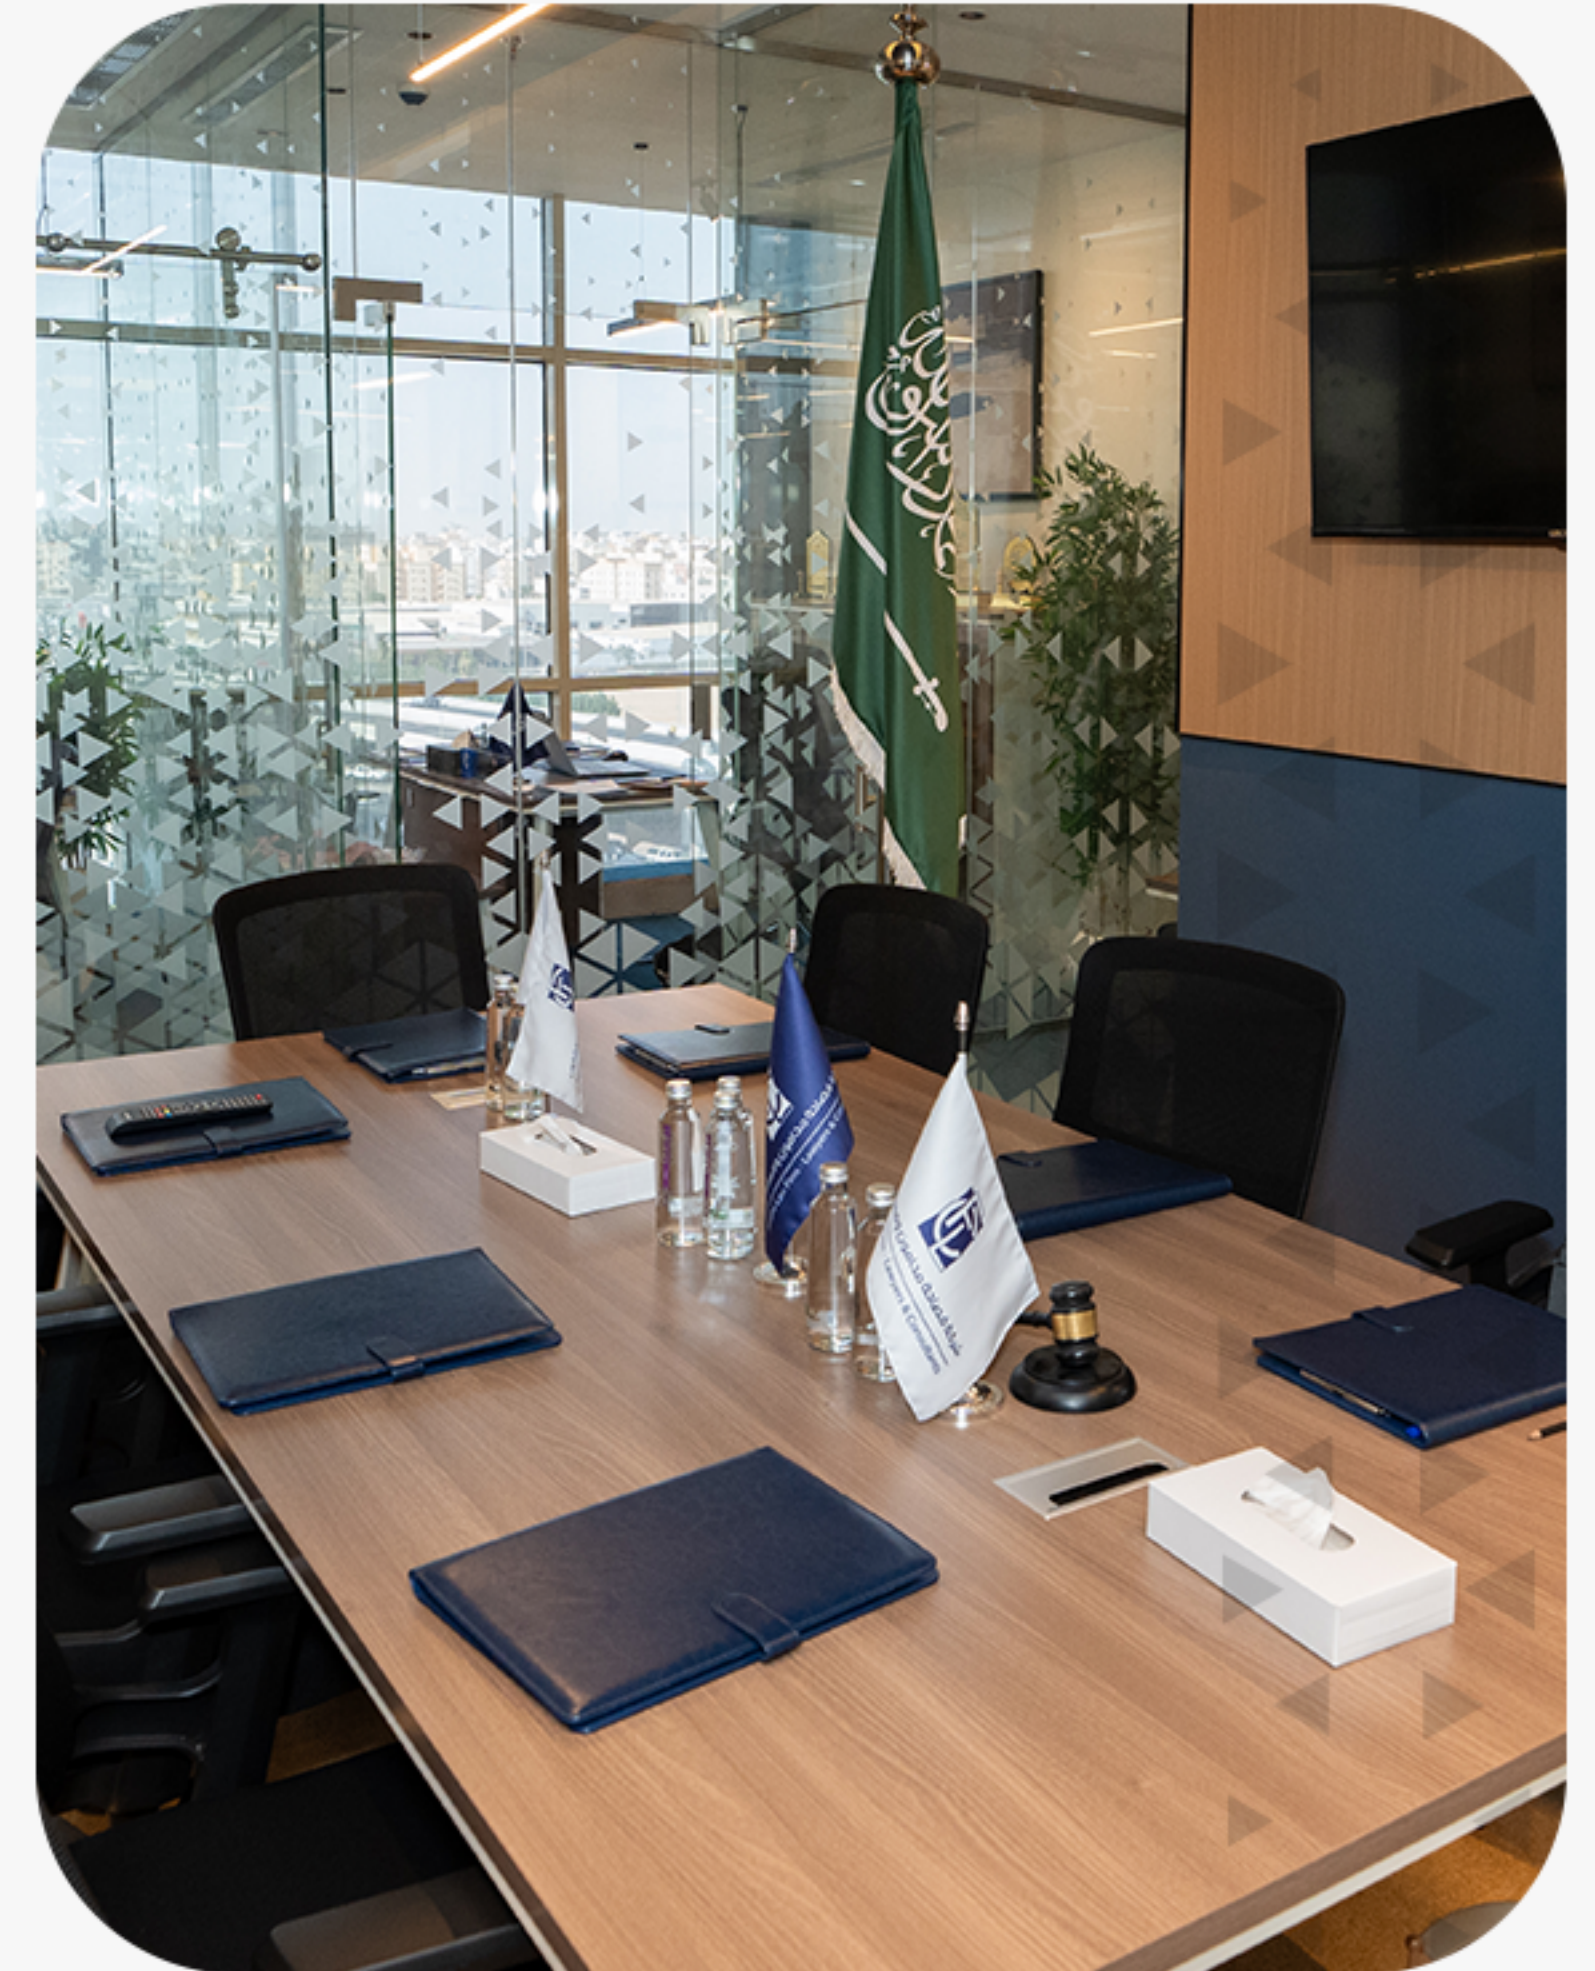

4. Company Formation and Restructuring

We offer comprehensive legal support for establishing companies of all types and restructuring them in line with best regulatory practices.

This includes contract drafting, organizing merger and acquisition processes, and handling insolvency and liquidation cases to ensure business continuity and achieve optimal results.

5. Corporate Governance and Policy Development

We assist companies in building effective governance systems & internal committees that ensure compliance and transparency. Our services include designing internal regulations, codes of conduct, and employee contract templates aligned with the standards of the Ministry of Human Resources, the Social Development regulations, and the Capital Market Authority.

6. Internal Investigations

We conduct internal legal investigations within organizations related to employee cases and potential violations such as breach of trust or embezzlement. Comprehensive reports are prepared including findings and legal recommendations to ensure transparency and sound management.

7. Legal Compliance and Risk Management

We provide awareness programs and specialized consultations to promote a culture of compliance within companies.

Our services include assessing potential legal risks & developing effective strategies to minimize them, ensuring organizational integrity and performance efficiency.

8. Intellectual Property and Trademarks

We offer comprehensive protection for our clients' intellectual property rights, including the registration of patents, trademarks, and copyrights.

We also provide representation & legal defense before the relevant authorities & committees.

9. Government and Investigation Authorities

We represent our clients before government and investigative authorities to protect their rights & handle relevant cases with professionalism both locally & internationally.

10. Trademark and Client Rights Protection

We offer specialized services to safeguard clients' trademarks & other rights against any infringements or damages that may occur within or outside the Kingdom.

OUR TEAM

At Fasaha Lawyers & Consultants, we believe that our true capital lies in the competence and expertise of our team — a distinguished group of lawyers and consultants with high qualifications and extensive experience across various branches of law.

Our team combines academic depth with practical understanding of both local and international legislations. Working with a unified spirit, we are committed to delivering the highest levels of quality and professionalism to ensure the best outcomes for our clients.

We take pride in having a team capable of handling complex legal cases & providing innovative solutions aligned with the challenges of the modern business environment.

Our team is characterized by flexibility and continuous development through ongoing training and keeping pace with the latest legal systems — ensuring comprehensive and effective service delivery.
